

Assembly Instructions:

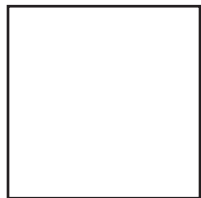

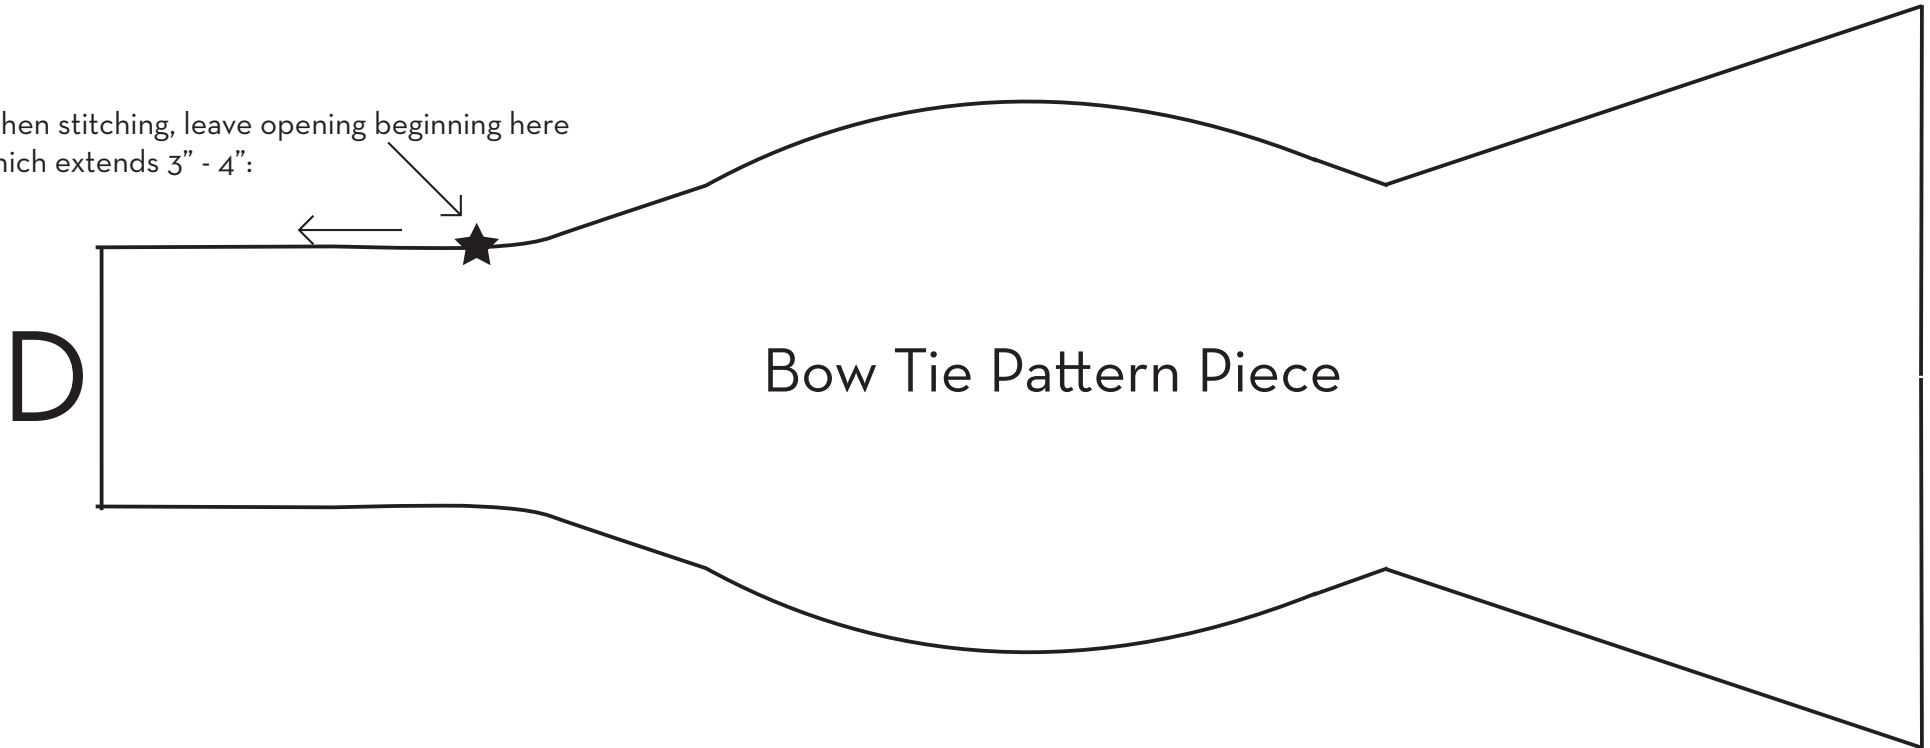

Cut out two bow tie pattern pieces from pattern paper (you can use template plastic, tissue paper or interfacing)

Cut out pieces A, B & C.

Tape piece A (8" long piece) to one Bow Tie Pattern Piece at location D

Tape piece B & C to the other bow tie pattern piece at location D (pieces B & C when taped together should be 13" long).

When stitching, leave opening beginning here
which extends 3" - 4":

Test Square. Should print 1" x 1"
